Partial Solar Eclipse
August 21, 2017

11:40 am to 2:39 pm
(Zenith at 1:09 pm)

! WARNING !

You will need ISO-Certified glasses for "Direct Solar Viewing" which filters 99.999% of the sun's visible light in order to prevent eye damage.

You can reserve your space and purchase solar eclipse glasses from the Collin County Farm Museum.

***ISO-Certified Glasses: \$2/ea.**

**Solar Eclipse glasses must be purchased from the museum before
JULY 21, 2017 at 4:00 pm.*

If you do not buy your glasses from the museum, you are responsible for securing your own glasses.
